

Basic Wilderness Survival Skills

Have you ever found yourself in Nature wondering what if... you got lost, injured yourself, forgot your gear, got caught unexpectedly in the dark, or any number of other scenarios. Don't fool yourself into thinking that these things could never happen to you! This fascinating hands-on Workshop with Wilderness Survival Instructor & Naturalist Vincent Pinto will prepare you to face these life-threatening situations armed only with knowledge and all the amazing resources that Nature provides! Learn how to: **make Fire without matches, create effective Shelter, find and purify Water, collect and cook Food from the wild, craft functional Wilderness Tools, and much more life-saving skills! Be prepared, empowered, and always remember: It's not IF.....but WHEN!**

WHEN: March 2

TIME: 8:30am - 3:30pm

WHERE: Raven's Nest Nature Sanctuary
